

Multi Project Manager

P24-481

Start: Januari 2025
Locatie: 2 dagen Halle, 3 dagen thuiswerk
Duurtijd: 1.5 jaar +

Context

At Colruyt Group IT we are seeking an experienced and dynamic Multi-Project Manager to manage a companywide (~33000 employees) multi-project which is a significant change for the business. The project's goal is to move all Colruyt Group Operating Units (= departments) towards their new digital workplace (Sharepoint on-premise => Teams/Sharepoint Online).

Responsibilities

The candidate will be responsible for overseeing the multi-project and ensuring it is completed on time, within scope, and within budget.

You will be steering the project team which includes business responsables, sub project managers, technical experts and a change manager.

You will be reporting to and working closely with the Program Core team (since this multi-project is in scope of a Program).

Profile

- Excellent knowledge of waterfall project management
- Excellent coordination & organisational skills
- Excellent in stakeholder management
- Positive & driven, great interpersonal skills
- Able to take the project team along and motivate them – can do attitude
- Good communicator
- Dutch speaker
- Solid PM experience in complex corporate projects is a must-have. Multi-project Manager, Program Manager and/or Change Manager experiences are a plus.
- Technical knowledge is not required
